

## Pre-Press Equipment

### Reclaiming System includes items below:

#### Polylite Washout Booth

- Made of 3/8" polypropylene with metal legs
- 30" deep, 36" wide, 45" high
- Easy assembly
- Options: Stainless Steel, 59" wide and 53" high
- **\$1049.00** with light

#### M10 Recirculation System

- 2 GPM
- Air operated
- Heavy Duty
- Options: Auto Discharge Pump, 4 GPM
- **\$949.00** for 2 GPM without ADP

#### RS1500A Pressure Washer

- 1450 PSI, cleans up to 35 screens per day
- Fully rebuildable three piston pump and motor unit
- Comes with a 26' high pressure hose, trigger gun control and our unique fully adjustable nozzle.
- **\$695.00**

### Washout Booth

Manufactured by:

#### Economy Washout Booth

- Stainless Steel
- 36" wide x 21" deep
- 1 1/2" sink strainer provided
- Ships UPS!
- **\$500.00** (no light)
- **\$650.00** (with Acrylic back and squeegee shelves)

### Screen Drying System

Manufactured by:

- Holds (8) 24" x 34" screens
- Stainless steel finned heater
- Pressurized air flow
- Screens sit horizontal
- Shelves are angled for point contact
- Double wall & light tight
- Can be connected to Exposit
- **\$1650.00**

## Laser Printers

#### ScreenWriter 4

- Density Control allows control of the toner intensity
- Resolution up to 1200 dpi
- Speed of 10 pgs/min (letter/A4)
- Prints on film or paper to 13"x35.5"
- Computer to Film processing
- Up to 256 MB of RAM available
- **\$2295.00** for 600dpi with 64 MB RAM

## Software, Reference

#### Software

- Software available for everything from design through color separation and RIP

#### Reference

- Books, videos, DVDs, and training media are available to help you improve your skills in screen printing

## Metal Halide Exposing Units

#### 150 Series

- 1200 Watt Instant Start Lamp
- Holds screens up to 31" x 41"
- Draws 15 Amps
- Automatic draw-down
- Fully automatic operation
- Oil-less vacuum pump
- Single bar latching system
- Light source in convenient drawer
- Options: Higher output, larger format
- **\$3720.00** for 1200 watt, 31"x41" capacity

800-482-7839

**VASTEX PRICE LIST effective 07/05/05**

Model	Description	Price	Crating*
